TO WHON IT MAY CONCERN

This is to certify that M/s Bright Shipping Services has been provided us with extremely satisfactory and excellent custom clearance services at Bombay and New Delhi during the last 16 years long association to Ikea as appointed CHA.

Effective from April 1st, 2000, Ikea has decided to change the buying terms from FOB to FCA at Consolidation Point. Due to this change, we have decided to include custom clearance service in the package with our consolidator ACS. Hence, ACS has the option to select the CHA for assigning custom clearance services. Although it is desirable to continue our very long association with M/s Bright Shipping Service through ACS, the decision to appoint CHA rest entirely with ACS.

We would like to thank the Management and the staff of Bright Shipping Service for providing Ikea their highest standard of satisfactory services.

We have no hesitations in recommending M/s Bright Shipping Services to any prospective firm who wish to use their reliable services.

Yours sincerely
Ikea Trading (India) Limited
